Minutes

Agenda item: Create slides 5-8

Presenter: Anosh Abraham

Discussion:

We discussed how we can present our new token. We broke this down into categories mentioned in our action items in order to make the token more presentable in the presentation.

Conclusions:

We all agreed to work on the next few slides we would present in our presentation. We will talk about the properties of our token, then compare it to bitcoin and ethereum, and how we would advertise our new cryptocurrency to our audience like through youtube, the newspaper, etc.

Action items	Person responsible	Deadline
✓ Properties of new token	Dawid Chudzik	11/29/22
✓ Comparing token to other	Neil Evans	11/29/22
✓ Research other ways of advertising	Anosh Abraham, Murtajiz Kazmi	11/29/22

Agenda item: Timing slide duration

Presenter: Neil Evans

Discussion:

We discussed how we would go about how we would track the duration of each slide and presentation as a whole.

Conclusions:

We would meet up to practice our presentation to know how much time it would take.
